

## About Tiritiri Matangi

As one of New Zealand's oldest island sanctuaries, the motu is brimming with wildlife rarely seen on the mainland, you can gain first-hand knowledge of these threatened species and our country's conservation history. Thousands of people visit the motu each year and we ask that everyone respect the island and the experience of all visitors.

## What to bring

- Clean walking shoes.
- Backpack (or closed bag), rain jacket, warm clothes, sun cream.
- Food for an energy packed day. Place food in a sealed bag/container, and all waste/wrappings are to be taken home. There is no food available for purchase on the island.
- Water bottle (water filling stations on island). Water and other drinks are available at the Visitor Centre.
- Pen/pencil for worksheets.

*Do not bring:* open carry bags, outdoor mats, blankets.

## Ferry Information

- Arrive at least 20mins prior to ferry departure.
- Prior to boarding: CHECK ALL BAGS AND SHOES FOR ANY BIOSECURITY RISKS.
- Students are seated in the reserved lower level of the ferry.
- Be respectful of other ferry passengers.
- No running or jumping on the ferry.
- Travellers from Auckland City should use this travel time for morning tea and toilet facilities. Travellers from Gulf Harbour should have morning tea and use toilet facilities at Gulf Harbour.
- Rubbish should be placed in appropriate bins or taken home.
- Public passengers disembark before school groups.
- Groups to walk supervised down the wharf in single file next to the handrail.

## On the Island

- Primary students to put bags (inc drink bottles) on trailer to transport up to Visitor Centre. Secondary students may take bags.
- Students to sit/stand together on the concrete area at the wharf for the DOC ranger briefing.
- School groups will be paired with guides. (Wattle Track 90mins; Kawerau Track 110mins).
- During the guided walk we request that all students and adults do not wander off, talk on cell phones, use earpods/headset, take selfies or have conversations while the guide is talking.
- All guides will be wearing a lanyard that contains emergency contacts on the motu.
- The best way to interact with the wildlife is stay quiet, listen, and watch.
- Taking photos is an excellent activity. Please do not film our guides unless permission given.
- Lunch will be eaten at the tables in the courtyard at the Visitors Centre.
- Avoid dropping food crumbs. Human food is not suitable for wildlife.
- Toilets are located at the wharf and the Visitor Centre.
- The Visitor Centre shop has drinks and gifts available for purchase. The school will determine whether students are allowed into the shop. If so, only 6-8 students, without their packs, are to be supervised inside the shop at one time.

## Notes for accompanying adults

- An adult must be with students at all times.
- Adults are to help look after the group, keep students on track, engage in the walk, and allow the students to answer questions posed by the guides or the educator. Please avoid talking on cell phones during guided walks.
- Tea and coffee is available for adults inside the Visitor Centre.
- Students visiting the Lighthouse/Watch Tower area to be closely supervised by a teacher to ensure students are acting responsibly.
